Social Justice and
Diversity Consultant
and Facilitator**

Referred to as the “Margaret Cho” of Diversity Trainers, Jessica Pettitt blends politics, humor, identity, and local flair with big city passion and energy through direct, individualized, and interactive conversations. Her workshops, seminars, and keynotes don't just leave participants invigorated but inspired and motivated to follow through with action to create change. Having traveled and lived in a variety of communities and environments all over the world, while also engaging with education as student, teacher, administrator, and active community member, Jessica uses her life experiences to take participants through a safe but confrontational process of examination, self reflection, and open dialog that is as challenging as it is rewarding.
